Philosophy of Education

Proverbs 22:6: admonishes us to “Train up a child in the way he should go, and when he is old, he will not depart from it”. The Highland Park Christian Academy believes that each child is unique in personality, learning style and interests. We believe that the positive development of a child’s character is not incidental, but it is rather a direct result of deliberate, purposeful training. Our goal is to educate the mind and to win the heart the child for Jesus Christ. To this end, the instruction will take into account the child’s individual inclinations and rates of physical, mental, affective and spiritual development.

We believe that children are an inheritance from God (Psalm 127:3) and that parents are the stewards of these gifts. The Highland Park Christian Academy will encourage parental involvement, offer Biblical guidelines, and counsel to assist parents in the fulfillment of their role.

Statement of Faith

We believe:

- *In the inerrancy of the Bible as the inspired Word of God.*
- *In one God eternally existent in three Persons: the Father, the Son and the Holy Spirit.*
- *In the deity of the Lord Jesus Christ, His virgin birth, His death for our sins and His resurrection and ascension into heaven.*
- *In eternal salvation by grace through faith in Jesus Christ and not by man’s works.*
- *In the ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life.*
- *That for salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.*
